

Victoria Saw Mills, Ingleton, § 2.

Near Lancaster,

Aug 30th 1866

Mr Hartley
Cumbria

I received your note concerning
the Sale of the Skimmed Potatoes and
will communicate the same to
Dr. Page at once. I should say
he will give £2000 at least for
the Potatoes he offered that sum for
the Dale House and I believe this
would suit him much better.
I will let you know as soon as I
have heard from him.

Yours very Truly
Geo Bentham
